Mr. Miles noted that the Public Hearing does require two advertisements beforehand, one week apart. Mayor Moore stated that he would be back in town for the Public Hearing.

EXMORE'S FIREARMS TRAINING RANGE HAS COME UNDER SCRUTINY! ANY INFORMATION OR DOCUMENTATION REGARDING PRIOR COUNTY ZONING APPROVALS WOULD BE HELPFUL:

Mr. Miles noted that Exmore's Firearms Training range has come under scrutiny. He said that there is no record of any zoning approval for the use of the range at that time under the then current zoning. He stated that it was zoned agricultural. Mr. Miles said that he has talked to a previous employee of Northampton County who stated that if the zoning had not been appropriate for the range, it would not have been allowed and is willing to sign an affidavit on the Town's behalf. Mr. Miles stated that we need to keep the firing range and that he will go as far as he needs to go to make sure that happens. Mr. Miles noted that it is a good facility and they have been holding tournaments there since before 2000. He said that there is a sign on the fence stating that it is a firing range. He asked for anyone with any information and/or documentation concerning the zoning of the range to please let him know.

Mr. Miles stated that the Virginia Department of Health Grant application has been extended to November 1, 2011 due to federal budget issues.

THE RAIN-SHORTENED EXMORE YARD SALE WAS SOMETHING LESS THAN A SUCCESS. WE ARE ANTICIPATING PLANNING A SPRING (MEMORIAL DAY SUGGESTED) EVENT IN CONCERT WITH NORTHAMPTON COUNTY CHAMBER OF COMMERCE. PERSONS INTERESTED IN PLANNING THE EVENT ARE ENCOURAGED AND WELCOME:

Mr. Miles noted that the Exmore Yard Sale was started then rained out. He said that it was too costly to do it again right away. Mr. Miles stated that they are planning a yard sale for the spring. He said that they are open for any ideas and suggestions to make the spring yard sale a little different.

DISCUSSION-COUNCIL/CITIZEN INPUT:

Mr. Miles stated that the Northampton County Parks and Recreation has invited the Town to be a sponsor in the Annual Youth Basketball Program. He noted that sponsorships are \$260.00 for a team of ten (10), which includes uniforms. He asked the Council for direction. Mr. Miles noted also that Habitat for Humanity will hold a fishing tournament this weekend and they asked for support, and will probably be asked for support from Little League. Councilman Massey stated that he was asked if the Council was still thinking about providing a place for the street hockey league. Councilman Ward asked Mr. Miles to send a letter to the Farmer's Museum chairperson to find out their intentions for the use of the property. Mayor Moore stated that if the building is not going to be renovated then it needs to be demolished. It was the general consensus of the Council to sponsor a youth basketball team for the Northampton County Parks and Recreation.

Mr. Miles stated that he received a letter from the Best Western regarding the new water rates for large water users. He said that the rate increase may have been too much of an increase at one time. He feels that it would be accommodating to lower the rate, which would require a repeal of an ordinance and a new ordinance adopted.

Councilman Ward asked if the other hotels have complained. Mr. Miles said that he has not heard from anyone else regarding the rate increase. He stated that the increase was intended to help with water conservation. Mayor Moore asked Mr. Miles to write Best Western a letter informing them that the Council will take their concern under advisement.

Councilman Ward stated that the people that started taking the train cars have stopped and left a mess and that it looks terrible. Mr. Miles stated that he has not been successful in contacting him by phone. Mayor Moore asked Mr. Miles to send him a certified letter giving him ten (10) days to come back and continue clearing the train cars out.
